

# Cookie Policy for Kasaragod Balabhavan English Medium School

To make this site work properly, we sometimes place small data files called cookies on your device. Most big websites do this too.

## What are cookies?

A cookie is a small text file that a website saves on your computer or mobile device when you visit the site. It enables the website to remember your actions and preferences (such as login, language, font size and other display preferences) over a period of time, so you don't have to keep re-entering them whenever you come back to the site or browse from one page to another.

## How do we use cookies?

A number of our pages use cookies to remember:

- to track the traffic in to our website
- to integrate social media plugin for easy access to necessary operations like Facebook Like, etc.
- if you have agreed (or not) to our use of cookies on this site

We use first party cookies to enhance user experience. These cookie-related information is controlled by the website hosting server.

Enabling these cookies is not strictly necessary for the website to work but it will provide you with a better browsing experience. You can delete or block these cookies, but if you do that some features of this site may not work as intended. The cookie-related information is not used to identify you personally and the pattern data is fully under our control. These cookies are not used for any purpose other than those described here.

## Third Party Cookies

In some special cases we also use cookies provided by trusted third parties. The following section details which third party cookies you might encounter through this site.

This site uses Google Analytics which is one of the most widespread and trusted analytics solution on the web for helping us to understand how you use the site and

ways that we can improve your experience. These cookies may track things such as how long you spend on the site and the pages that you visit so we can continue to produce engaging content.

For more information on Google Analytics cookies, see the official [Google Analytics](#) page.

From time to time we test new features and make subtle changes to the way that the site is delivered. When we are still testing new features these cookies may be used to ensure that you receive a consistent experience whilst on the site whilst ensuring we understand which optimisations our users appreciate the most.

In some cases we may provide you with custom content based on what you tell us about yourself either directly or indirectly by linking a social media account. These types of cookies simply allow us to provide you with content that we feel may be of interest to you.

## How to control cookies

You can control and/or delete cookies as you wish – for details, see [About Cookies](#) or [Delete Cookies](#). You can delete all cookies that are already on your computer and you can set most browsers to prevent them from being placed. If you do this, however, you may have to manually adjust some preferences every time you visit a site and some services and functionalities may not work.
